

Quick Start Guide: Class Codes

Step 1: Create Your Account and Your First Class

Go to app.writereader.com and sign up as an educator.

Log in Sign up

Email _____

Password _____

First name _____

Yes, I agree to the [terms & conditions](#) and I'm over 18 years old.

Sign up

or sign up with

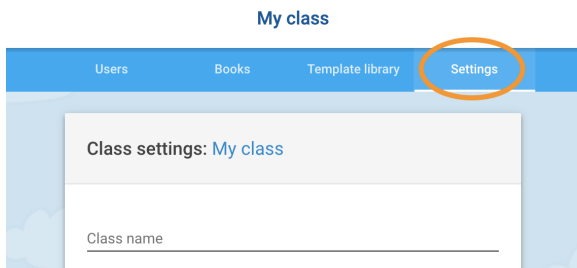

Google

or sign up with

Google Classroom

You can sign up using Google sign in or email. You will automatically be logged in and your first class will be created.

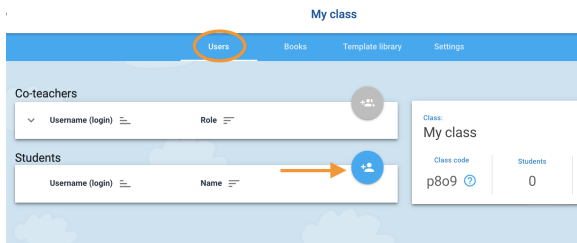

NOTE: To import class rosters from Google Classroom, choose Google Classroom login. Learn more about this method [here](#).

Your first class will be called "My Class". You can change the name of your class by clicking on the Settings tab.

Quick Start Guide: Class Codes

Step 2: Add Students to Your Class

To add students, navigate to the Users tab.

Add student

NOTE! Create unique usernames to avoid students logging into each other's accounts.

Cancel

Add

Add students one at a time. The only required section is Username.

Students will login at app.writereader.com with their Username and Class Code.
